The image features a 6x6 grid of alternating black and white squares, resembling a checkerboard, centered in a futuristic laboratory. The lab has blue walls with hexagonal panels containing various symbols (a red dot, a green triangle, a blue circle, and a red rectangle on the left; a blue circle and two green dots on the right). A large piece of scientific equipment is on the left, and a circular blue pattern is on the floor. A yellow banner at the bottom contains the title in red text.
